

NWALL Registration Refund Policy

Effective 12/17/21

The Northwest Ada Little League (NWALL) Refund Policy is as follows:

Full Refund: Prior to February 15th, a full refund will be issued upon request. Late fees and online processing fees, if applicable, will not be refunded.

Half Refund: Prior to the first assessment date for the Seniors, Intermediate, Majors, and Minors baseball/softball divisions, or prior to the sending of rosters to the managers for the Rookies and T-Ball divisions, only half of the original registration fee will be refunded upon request. Late fees and online processing fees, if applicable, will not be refunded.

No Refund: After the first assessment date for the Seniors, Intermediate, Majors, and Minors baseball/softball divisions, or after the sending of rosters to the managers for Rookies and T-Ball divisions, no refund will be given.

Special Considerations: If participation is insufficient to form a full team in any division at NWALL, so that a combined team with another Little League is necessary for participation, a full refund of registration fees may be requested *at the time of notification*.

Executive Decision: The NWALL President retains the right to issue a full or partial refund for a justifiable reason during any period prior to the first game of the season, after which no refunds will be issued for any reason. Justifiable reasons include loss of job, military transfer, broken bones, etc., but proof of such reason will be expected (statement of termination, military orders, doctor's orders, etc). Reasons for which no consideration will be given include poor assessments, unhappiness with placement on a team, bad grades, double-booking with other extra-curricular activities, etc.
